

P2 Learning Journey to Jurong Bird Park

On 11th, 13th and 14th April, the P2 pupils went on a learning journey to Jurong Bird Park. They attended an enrichment lesson on Animal Homes and gained new knowledge about how different birds build their nests, learning many fun facts along the way. Pupils enjoyed themselves at the bird show where they were treated to a variety of performances by a talking parrot, macaws and toucans!
