

# Learning Journey to River Safari and P6 Wild Buddies

28 March and 29 March 2017

The P1 girls went to the River Safari in March. It was their very first learning journey in 2017.

Throughout the journey, the P6 Wildlife Buddies were enthusiastic and patient in guiding the little ones, sharing their knowledge on the animals and the environment.

Our P6 pupils stayed on in the afternoon to attend a workshop on adaptations of the organisms.

Let's be purposeful. The P6 girls guiding and taking care of the Primary One buddies.

The girls were awed by the beautiful sight of the sea otters swimming in the water!

Look over there! The otter's paddle-like tail helps it to swim well!

Hummm... life for a panda certainly looks good!
