

Shanghai/Suzhou Cultural Immersion Overseas Learning Journey (25 May to 30 May 2012)

This year, in the first week of the June holidays, 26 of our P5 pupils were accompanied by 3 teachers to Suzhou Industrial Park (SIP) for a cultural immersion programme at Kuantang Experimental Primary School. They had a fruitful and meaningful learning experience when they were there. They interacted with Kuantang pupils and gained a better understanding of the Chinese traditions and cultures through the lessons conducted in the school.

KT School Environment...

Group photo with Kuantang Experimental Primary School Principal and teachers.

At the Kuantang heritage centre, pupils had a gallery walk to learn more about the history and development of the school.

Lessons that our pupils attended...

Pupils attended the "Reading and Writing" seminar conducted by a famous journalist in Suzhou.

Chinese Calligraphy lesson was really fun.

Pupils created their own "Hua Chuang" during Paper Cutting lesson.

Pupils learnt more about silkworms and cocoons during Science lesson.

Places of Interests visited...

The unique designs and ethereal beauty of the Humble Administrator's Garden in Suzhou was an eye-opening experience for our pupils.

Team-building activities at the Educational Theme Park in Suzhou were great fun.

Local learning journey to Shanghai Science and Technology Museum

The Tiger Hill Pagoda is known as the Eastern Pisa Tower.

Good times with the buddies at KT...
