

P5 OUTDOOR ADVENTURE CAMP

P5 Outdoor Adventure Camp is a wholesome activity and is an integral part of our school programme. It provides pupils with enriching out-of-class experience which will help them to develop fully as individuals.

The camp objectives are:

- To provide pupils with opportunities to experience outdoor life and rugged activities.
- To provide a platform for pupils to explore and discover more about themselves.
- To encourage creativity and initiative in pupils, as well as resilience.
- To help sharpen reflexes and instil discipline.
- To promote team spirit, build confidence and improve communication skills.
- To promote friendship and mutual understanding among pupils.

The school engages qualified and licensed instructors who are professionally trained to conduct the activities. Activities scheduled for the camp include team games, group projects, challenge rope courses, abseiling and rock-climbing.
