

# Singapore International Choral Festival 2017

Under the guidance of our Choir Instructor, Ms Angila Tan, the choir clinched the Silver Award in the Singapore International Choral Festival 2017, held at the Yong Siew Toh Conservatory of Music from 12 – 15 July 2017.

Through the festival, our choir members gained much exposure to choral music and the ability to listen to one another and harmonise as a group. They have also displayed resilience and determination throughout all the choir practices.
