

Three Cheers to our Debate Team!

Our team of debaters have undergone a major competition, the Primary School Debate Open 2017 (PSDO).

The greatest news of all for this year's Debate Club's journey is that being an amateur team, Kristianne Martinez from 5 Peace was one of the three awardees for the Best Speaker Award.

Three cheers to our debaters who have achieved this fabulous results as an amateur team. The debaters have shown their virtues of diligence and excellence through the few months' of training with Mrs Joyce Lee-Ong and had shown great potential in taking up future debate competitions. The team will be striving harder for Wits & Words 2018 which will be happening in January!

Our dedicated debaters all ready for their first motion in Primary School Debate Open 2017 held at Methodist Girls' School (MGS).
