

Breakfast with Daughters 2014

The breakfast with daughters' event was held on 1st & 2nd April for the Primary 4 pupils and on 8th & 9th April for the P3 pupils and parents.

There was a strong support from the parents from both levels who took time to be with their daughters at the sessions. With the continuous support from PSG and the Class Parents, the pupils had a variety of food for breakfast. It was a lovely experience for pupils to have breakfast with their parents in the school.

I am grateful to my parents for making time for me
