Dear Parents/Guardians,

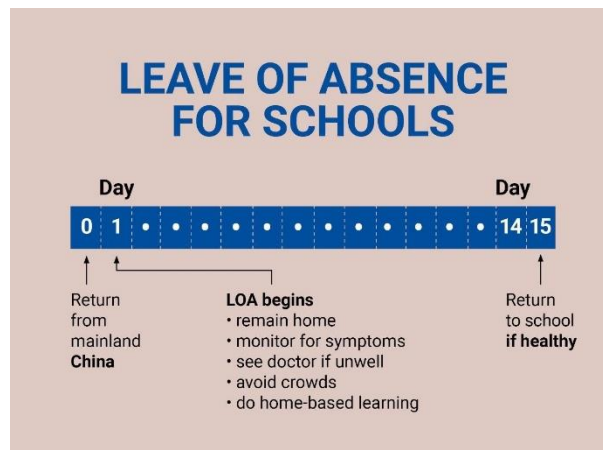

Enhanced School Measures for Novel Coronavirus

As school re-opens on 29 January 2020, MOE will be enhancing precautionary measures, including daily temperature taking, to ensure that our school remains a safe and healthy learning environment.

Please ensure your child/ward brings an Oral Digital Thermometer to school from 29 January onwards.

While teachers actively look out for students' well-being, please ensure your child/ward practises good personal hygiene and social responsibility. You should take your child/ward to the doctor if she is unwell and we would appreciate it that you keep your child/ward at home until she recovers.

If your child/ward has returned **from mainland China** on 15 January or later, she will be placed on Leave of Absence (LOA) for a period of **14 days**, starting from the first day after return. For example, if your child/ward returns to Singapore **on 28 January** (Tuesday), the LOA would last **from 29 January** (Wednesday) **to 11 February** (Tuesday), with the date of return to school being **12 February** (Wednesday).

Students on LOA will be supported by home-based learning assigned by the school. If you have any queries on LOA, you can call the school office at 67691529.

For updates on the coronavirus situation, you can visit moh.gov.sg or sign up at go.gov.sg/whatsapp to receive the latest information via Whatsapp. We will keep you updated on school measures and education related notifications.

Yours faithfully,

Mrs Karen Tan
Principal
