

## Cyber Wellness Ambassador Training

The Cyber Wellness (CW) student ambassadors had a training session on 22<sup>nd</sup> February 2018. Pupils and teachers from Fajar Secondary School (FJS) came to conduct the training session for the Primary 3 to Primary 6 pupils on Cyber Bullying. The student ambassadors were engaged in activities which reinforced the learning points of the session. As for the Primary 1 and 2 pupils, we had our very own in-house training. Through interactive discussions, they learnt about internet safety and netiquette.

P1 and P2 pupils learning about internet safety and netiquette
