

Cyber Wellness Week @ CHIJ OLQP 2018

Cyber Wellness Week was held from 9th to 13th April 2018. Workshop sessions were conducted in class to educate pupils on how to be responsible digital users. Pupils were engaged with the use of interactive activities planned for them.

On 12th July 2018, we invited the Cyber Wellness Student Ambassadors from Fajar Secondary School (FJS) as part of the judging panel for our school's internal competition. It was also a good opportunity for our pupils to bond and learn from one another as they discussed and deliberated over the winning entries for the various levels.

An activity to illustrate a learning point during the workshop
