

### Photo editing Workshop for P2 and P3

The ICT department of CHIJOLQ conducted a Photo-editing workshop for Primary 2 and 3 pupils on 13<sup>th</sup> March 2018. In this workshop, pupils had an enriching lesson exploring the various image editing features of the Photo-editing software, Pixlr.

Pupils were excited to be given the chance to take and edit their own photos.

Pupils listened attentively on how to use the features found in Pixlr.

At the end of the activity, pupils were given the opportunity to share their product created by them.
