

EL IJ SPELL-OFF 2018

On 2 February, contestants vied with one another to win the coveted IJ Top Speller 2018 title. The finalists represented their respective levels and classes after the class and preliminary rounds. Despite the pressure of performing in front of the whole school, the finalists showed the virtues of confidence and perseverance throughout the competition.

This year, we would like to congratulate Emelin Neo Jiarou from 6 Hope for emerging as the champion for IJ Spell-Off 2018! Her classmates, Deborah Wong Zhi En and Naomi Teo Zhi Yi clinched the first and second runner-up positions, respectively. Well done, ladies!
