Our Lady Queen of Peace**

19 March 2018

Dear Parents / Guardians

We welcome our girls back to school. We are thankful for God's wonderful blessings in Term 1 and will continue to pray for His blessings in this new term. We would like to take this opportunity to thank all parents for your overwhelming support for the PSG Projects – Sale of Chinese New Year Cookies and Movie Night. Our sincere appreciation to our Parent Support Group for their enthusiasm in organising these events for our girls and their families and in helping to raise funds for our PERI Upgrading Project.

We are also in the last phase of our PERI Upgrading. We would like to thank all parents / guardians for your kind understanding and patience during the PERI Upgrading period. We would like to seek your support and understanding as we move towards this last phase of work.

In Term 2, our girls will be participating in the various SYF Competitions and Zonal & National Tournaments. We want them to gain positive experiences in their competitions and always strive for their best, demonstrating the virtues of discipline, teamwork and perseverance. Please continue to support our girls as they gear themselves for the coming competitions.

As we begin Term 2, we would like to highlight some of the upcoming events and programmes that we have planned for your daughter/ward. Please take note of the following information:

A. School Matters

Please take note that it is a School Day for all pupils. However, it will end at 12 noon. There will be no Supplementary or Remedial classes on that day. Only prize winners will need to attend the session. Kindly make the necessary transport arrangement if your child / ward goes home on her own.

2. Supplementary/ Remedial/ Enrichment Classes & CCA Programmes

3. English Week cum International Friendship Day 2018

Our English Week cum International Friendship Day Celebration will commence during Term 2 Week 3, 2 April to 6 April 2018. English Language teachers will organise engaging activities aimed at deepening pupils' love for the language. Pupils can look forward to participating in school-wide language competitions, such as the diamante poem-writing contest, along with platforms for them to showcase their narrating and acting talents. Pupils will also be engaged in level / class-based activities to hone their receptive and productive language skills.

4. Catholic Education Matters

Our Catechism teachers will be organising Easter activities for all pupils. There will be an Easter Egg Hunt for P1 girls on Tuesday, 3 April 2018 during recess. The rest of the girls will learn more during the Carnival on Wednesday, 4 April 2018 during their recesses.

5. CyberWellness Week

The ICT Department will organise a CyberWellness Week for the girls in Term 2 Week 4, 9 April to 13 April 2018. There will be an engaging and interactive one-hour workshop conducted for all pupils in their classes to equip them on specific cyber issues, a carnival with interesting and fun games during recesses and an assembly talk by pupils from Fajar Secondary School.

6. Earth Week

The Earth Week will be conducted by the Science Department in Term 2 Week 6, 23 April to 27 April 2018. The theme for this year is **Sustainable Singapore Climate Action 2018**. Pupils will be given opportunities to showcase their creativity in various activities. There will also be collection of newspapers and used clothes for recycling. Ricoh Pte Ltd, our corporate partner, will be giving an assembly talk to our pupils on Marine Life Conservation.

In conjunction with Earth Week, the Science Department will also launch its Applied Learning Programme (ALP) Bag. ALP has been introduced in our school since 2013. The ALP aims to teach Science concepts and its application to environment conservation to our pupils from Primary 1 to Primary 6. The school has designed and produced a commemorative bag this year to celebrate the success of the programme, in igniting pupils' interest in the learning of Science. This bag can be used to carry books as well as groceries, so as to help reduce the use of plastic bags, thus saving the environment. The sale will take place during the week. The details are as follows:

- Dimension : 400mm x 300mm x 100mm
- Material : PU Leather
- Selling Price : \$15

More details on the sale will be given to your child / ward nearer the date.

7. Sing, Swing & Spin Carnival 2018

Please note that the Sing, Swing & Spin Carnival 2018 has been changed to Saturday, 30 June 2018, from 8:30am to 3:30pm, so as to cater to more parents, pupils and alumni. Many interesting and fun-filled activities have been planned for the pupils, parents and alumni - performances by various groups of pupils, innovative Eco and IDRIVE games, photo booth and other entertaining fringe activities. Tickets are available at \$10 each. We look forward to your continuous support.

B. PUPIL MATTERS

1. Virtue of Responsibility

We have been teaching our girls to exercise the virtue of responsibility and self-discipline in looking after their things. We encourage parents to assist us in helping your girls to learn that they have to bring their own things to school. Thus, if your child / ward has called you to help bring their things to school, please refrain from bringing for them.

We also would like you to note that pupils are not allowed to call their parents / guardians during curriculum time. Calls can only be made during recesses or after school. We would also like to discourage parents / guardians from calling the General Office to pass messages to your child / ward, unless very urgent matters.

2. Well-Being of Pupils and Staff

We encourage all pupils and staff to maintain a high standard of personal hygiene and wash their hands with diligence. We would like to remind parents that if pupils are unwell and showing flu-like symptoms, they should see a doctor and come to school only when they are certified fit by the doctor.

3. Birthday Party

We would like to remind parents who want to celebrate their girls' birthdays with their classmates to only bring a birthday cake and to refrain from providing extra food e.g. fast food meal sets with toys, deep fried food etc. Kindly refrain from giving goodie bags of any items edible or non-edible. Please note that there will be no birthday celebrations during assessment weeks and kindly contact the Form Teacher at least 3 days in advance. We sincerely appreciate your kind understanding on this.

4. Primary 6 Examinations Matters

Please note that Primary 6 pupils will take their examinations in the school hall for Semestral Examinations 1 and Preliminary Examinations, before their Primary School Leaving Examinations. There will be no Mock Examinations conducted, as originally scheduled from 25 July – 27 July 2018.
